

2019 Clifton Day Sponsorships

Would you like to get your company's name in front of thousands of Fairfax County residents *and* benefit local charity organizations? Then consider becoming a sponsor of the Clifton Day Festival which typically draws over 20,000 attendees each year!

What is the Clifton Day Festival?

Clifton Day is a time-honored tradition dating back over 50 years. Held the Sunday of Columbus Day weekend (October 13th this year), Clifton residents turn the streets of this usually quiet, historic town into an exhilarating old-time country fair. Nearly 150 arts, crafts, and antique vendors line the bustling streets. Town parks come alive with horseback rides, children's activities, live music, and historic displays. Food vendors offer international flavors, barbecues, and tasty treats. And the public streams in, all day long, for an old fashioned day of family fun and entertainment!

Who benefits from Clifton Day?

Local charities are the largest benefactors of the festival. Their Booth proceeds and all parking proceeds go exclusively to participating groups such as local Scout Troops, Clifton Lions Club, Mason's Acacia Lodge, local churches, and the festival's official host, the Clifton Betterment Association (CBA). As a sponsor you, too, can benefit by having your name and/or logo on Clifton Day Festival advertisements, materials, T-shirts and signage.

How can you become a Sponsor?

Clifton Day Festival's Sponsorship Program is outlined on the following page. You can choose from several donation levels, each with a different set of benefits. Just mail in the attached form, with your sponsorship donation, and we'll be in touch to finalize the details.

There is tremendous potential marketing exposure presented by Clifton Day and we are confident you will find a sponsorship program that fits your means and objectives. With your support, the festival and a host of deserving local charities can be truly successful in 2019!
